RE: 4th Qtr 2008 water monitoring

Jim,

The November and December flow data for ELD-1 and JC-3 are in the pipeline and are ready to be uploaded for the 4th quarter 2008. For JC-1 the data with the 12/30/2008 date should be 11/30/2008.

Let me know if there is anything else,

Austin,

Attached is the Official Upload and Parameter report for the 4th Quarter 2008. There are some data missing for the 4th Quarter.

Nov. and Dec. Monthly Flow at ELD-1 (same as JC-1?) and JC-3 (no flow?)

The November flow for JC-1 is missing, but there are values for 12/30 and 12/31; were there two samples in Dec, or is one of those mis-dated?
